

Rocky Credit Union Paying A Dividend Of 4%

Rocky Credit Union credits a commitment to service and an emphasis on its local community for solid financial performance despite a turbulent year for financial institutions across Canada.

“Even with the international financial crisis, Rocky Credit Union had a strong performance for 2009, and we are proud to announce a dividend of 4% on common shares and RRSP common shares,” stated Carson Stewart, President of the Board of Directors.

For the year ended October 31, 2009, Rocky Credit Union’s total assets under administration are \$270 million. A total of \$499,749 will be allocated to members’ common share and RRSP common share accounts some time in late December.

“This year was definitely challenging,” according to Daniel Johnson, CEO. “We successfully implemented a new banking system and launched text banking. To help communicate with our members we expanded our community

support by accessing new media channels like Facebook and blogs. Members can now access funds at our new cash machine on main street, and our recent decision to expand our wealth management services provides even more opportunities to serve our members and community.”

“Our accomplishments during one of the most challenging years of the past few decades really speaks to the commitment of our Board and our Staff to make Rocky Credit Union the best place around to do your banking,” says Johnson.

Rocky Credit Union is celebrating its 65th year of serving the financial needs of the Rocky Mountain House Region. With over 7,500 members, 50 staff, and 2,000 volunteer hours from our staff, Rocky Credit Union is committed to the best of service and helping our members live in vibrant communities.
